

CONTENTS/CUPRINS

Preface	5
Prefață	6
MOUNTFORD J.O., POP O.G., PATRIQUIN D. & TREWEEK J.R., Biological survey for Piatra Craiului National Park. An intermediate review and assessment	7
CONSTANTINESCU T., Erosion surfaces in Piatra Craiului Ridge	28
CONSTANTINESCU T., Torrentiality and avalanches, the main present-day geomorfological processes in Piatra Craiului Ridge	38
MUNTEANU A.V. & CONSTANTINESCU T., Geomorphologic aspects in Prăpăștiilor Valley Hydrological Basin (Piatra Craiului National Park)	47
TEODOREANU E., The climate of Piatra Craiului National Park	57
PĂTRU I., Landscape study in Bran-Rucăr-Dragoslavele Passage	70
TIȚĂ R., Paleontological researches in Piatra Craiului National Park	76
DIHORU G. & POP O.G., New locations with Musci (Bryophyta) in Piatra Craiului National Park	80
ȘTEFĂNUȚ S., <i>Frullania parvistipula</i> Steph. in the Piatra Craiului National Park	88
MARCOCI C.N., The Macrolichenes of Dâmbovicioara Basin (Piatra Craiului National Park)	94
UDUDEC R.V. & POP O.G., Short note: new plant species and new locations of some species for Piatra Craiului National Park	100
ALEXIU V. & STANCU D.I., Flora and vegetation succession as a result of beech deforestation in Dragoslovenilor Valley (Piatra Craiului National Park)	103
POP O. G., Identification of Important Plant Areas (IPAs) within Piatra Craiului National Park	108
ONETE M., ȘTEFĂNUȚ S., POP O.G. & MOUNTFORD J.O., Geographical and ecological distribution of the narrow endemic and relict <i>Dianthus callizonus</i> in Piatra Craiului Massif	134
POP O.G. & VEZEANU C., Mapping of the main habitats in the Piatra Craiului National Park	144
NICOARĂ A., A preliminary study of the distribution of <i>Alopia</i> (Gastropoda:	152

Pulmonata: Clausilidae) forms in Piatra Craiului National Park and surrounding areas	
PÂRVU C., A case of genital anomaly of <i>Hilara angustifrons</i> Strobl 1892, ♂ (Diptera: Empididae) from Piatra Craiului National Park, Romania	157
PÂRVU C., New faunistical data on some dipterans (Insecta: Diptera) of Piatra Craiului National Park, Romania	161
POPESCU I.E., Torymid and Eurytomid Wasps (Hymenoptera, Chalcidoidea: Torymidae, Eurytomidae) of Piatra Craiului National Park (Romania)	170
FUSU L. & POPESCU I.E., Encyrtid Wasps (Hymenoptera, Chalcidoidea: Encyrtidae) of Piatra Craiului National Park (Romania)	178
TOMOZEI B., Preliminary data regarding Apoidea (Hymenoptera) fauna of Piatra Craiului National Park	183
STAN M., Contribution to the knowledge of the Staphylinid fauna (Coleoptera: Staphylinidae) of Piatra Craiului National Park	187
SERAFIM R., Data on Cerambicids and Coccinelids (Coleoptera: Cerambicidae, Coccinellidae) of Piatra Craiului National Park	193
MAICAN S., New data on the Chrysomelidae (Coleoptera) of Piatra Craiului National Park	199
GUȘĂ D.N., The biodiversity of snout beetles (Coleoptera, Curculionidae) in the alpine and subalpine areas of Piatra Craiului National Park	206
ZAHARIA L.C, The biodiversity of click beetles (Coleoptera, Elateridae) of Piatra Craiului National Park	213
GHEORGHIU V., Contribution to the knowledge of the Family Nycteribiidae (Diptera: Pupipara) of Piatra Craiului National Park	218
CIORNEI C., Pest biotical factors in forest stands from Piatra Craiului National Park	223
DAVIDEANU A., DAVIDEANU G. & SIMALCISIK F., Preliminary data on the benthic macro-invertebrates of the Bârsa Mare River, Piatra Craiului National Park	226
CONSTANTINESCU I.C., Uropodidae fauna (Acarieni: Anactinotrichida: Uropodina) of Piatra Craiului National Park	233
NAE A. & GIURGINCA A., Preliminary data on the spiders from the caves of Piatra Craiului National Park	239
MESTECĂNEANU A. & CONETE D., Ornithological research in Piatra Craiului National Park	244
PREDOIU G, JURJ R. & POPA M., The guidelines for management of wolves, bears and lynx populations in the area of Piatra Craiului National Park	255
HOOGSTRA M.A., DEKKERS K.C.H.A. & DE WOLF R., Livelihood strategies in the Piatra Craiului National Park, Romania	261
IORAȘ F. & RENDER M., Ecological considerations on managing sheep (<i>Ovis aries</i>) grazing in Piatra Craiului National Park	271
