

CONTENTS/CUPRINS

Preface.....	7
Prefata.....	8
MIRCEA VERGHELEȚ, Biodiversity Conservation Management in the Piatra Craiului National Park	9
CONSTANTINESCU T. & PIȚIGOI R., The main types of relief of Piatra Craiului Ridge.....	13
CONSTANTINESCU T., The Pleistocene glaciation and the avens of Piatra Craiului Ridge.....	35
MUNTEANU A.V & CONSTANTINESCU T., Geomorphological researches in the hydrogeographic basin of Valea Cheii de sub Grind.....	43
CHIRA D. & CHIRA F., Wood fungi influence in a Norway spruce stand affected by windfall in Piatra Craiului National Park.....	50
JALBĂ A, The species composition, phenology and trophic structure of Macromycetes of Piatra Craiului Massif.....	54
MARCOCI C.N., New systematic and ecological data regarding the lichens of Piatra Craiului National Park.....	63
DIHORU G., ȘTEFĂNUȚ S., WALFISH R & POP O., Bryophytes Flora of the Piatra Craiului Massif.....	68
CIOCÂRLAN V. & POP O., Woodsia pulchella Bertol. in Romanian Flora.....	84
CONSTANDT K., POP O. & SARAZIN A., New pteridophyte records for Piatra Craiului National Park.....	87
ALEXIU V. & STANCU D., Carici remotae-Calthetum laethae Coldea (1972) 1978 ligularietosum sibiricae nova subass. in the Brusturet Gorges (Piatra Craiului).....	94
CIOCÂRLAN V. & POP O., Annotations on the Piatra Craiului Massif Flora.....	98
ALEXIU V., Characterisation of the flora and vegetation of the upper stream of Dâmbovița.....	100
MIHĂILESCU S., Protected plant species and fragile habitats of Piatra Craiului Massif.....	119
MARUȘCA T., POP O., VODĂ A & VERGHELEȚ M., Evaluation of grazing pressure on the	

Piatra Craiului National Park's pastures and management issues	130
IORAȘ F.I., The implications of domestic grazing on ground vegetation in high altitude Norway spruce forest in the Piatra Craiului Massif.....	142
POP O., Ethnobotanical note of Piatra Craiului National Park.....	150
HONCIUC V., & STĂNESCU M., Acarian fauna (Mesostigmata, Prostigmata, Oribatida) of Piatra Craiului National Park.....	159
STERGHIU C & DOBRE A., Researches on spider fauna of Piatra Craiului Massif.....	170
BRĂDESCU V., An entomological synthesis (Family Syrphyidae) for Piatra Craiului National Park.....	178
PÂRVU C., Faunistical data on some dipterans (Insecta: Diptera) of Piatra Craiului National Park, Romania.....	181
PÂRVU C., Dolichopodidae (Diptera) of Piatra Craiului National Park, Romania – with the identification of some valuable wet habitats.....	188
STĂNESCU M., Preliminary data regarding Lepidoptera Fauna of Piatra Craiului Mountains.....	195
VASILIU-OROMULU L., The Thrips species of Piatra Craiului National Park (Insecta, Thysanoptera).....	213
TATOLE V., Researches on aquatic invertebrate fauna of Piatra Craiului National Park (I).....	217
STANESCU A., Preliminary study regarding the Hemipterous fauna of Piatra Craiului National Park.....	232
STAN M., Preliminary data regarding the Staphylinids of Piatra Craiului Mountain (Coleoptera: Staphylinidae)	240
PURICE D., The structure of ground beetles communities (Ord. Coleoptera, Fam. Carabidae) in some forest ecosystems of Piatra Craiului National Park.....	243
SERAFIM R. & MAICAN S., Preliminary data on the Cerambicides and Coccinelides (Coleoptera: Cerambycidae, Coccinellidae) of Piatra Craiului National Park.....	250
GUȘĂ D.N., Some systematic and ecological data regarding snout beetles fauna (Coleoptera, Curculionidae) of Piatra Craiului National Park (Brașov County).....	262
IFTIME A., Contribution to the knowledge of the ichtiofauna and herpetofauna of Piatra Craiului National Park and its surrounding areas.....	267
GHIURCĂ D., MUNTEANU A. & FENERU F., Some herpetological observations in Piatra Craiului National Park.....	273
IONESCU D.T. & DRĂGHICI M., Some ornithological observations in Piatra Craiului National Park	275

FENERU F., GHIURCĂ D., LENGYEL P., FENERU M. & MUNTEANU A., A pilot bird survey in Piatra Craiului National Park, 2001-2002.....	277
MURARIU D., The faunal state and the estimation of the preservation categories of the mammal species of Piatra Craiului National Park.....	289
IONESCU O., PREDOIU G. & IONESCU G., Large carnivores movement corridors between Piatra Craiului and Bucegi Mountains.....	301
GHEORGHIU V., GIURGINCA A., CAPAC C. & NISTOR V., Preliminary data on the presence of <i>Myotis myotis</i> and <i>Myotis blythii</i> in Avenul de sub Colții Grindului 2020 m altitude - Romania (Chiroptera, Vespertilionidae).....	307
DEACONU S., Observation on rodent species in the northern side of Piatra Craiului Massif.....	315
LIPAN D., Adoption of the base map for the Geographical Informational System of Piatra Craiului National Park Administration.....	320
LIPAN D., A method of exploiting existing descriptive data about the forests and integrating them in the GIS.....	324
